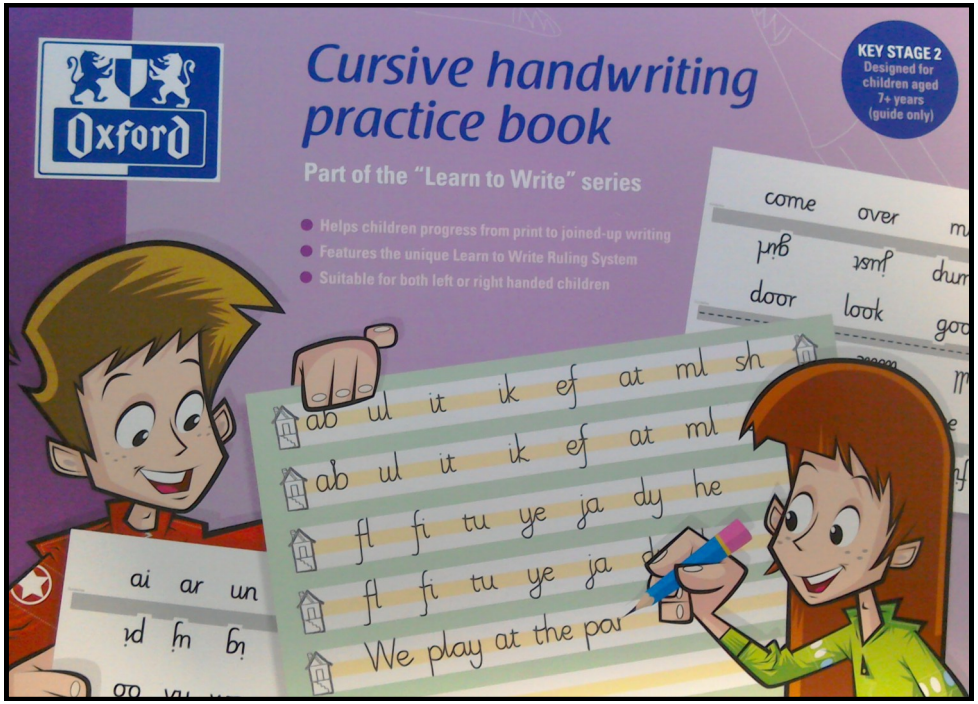
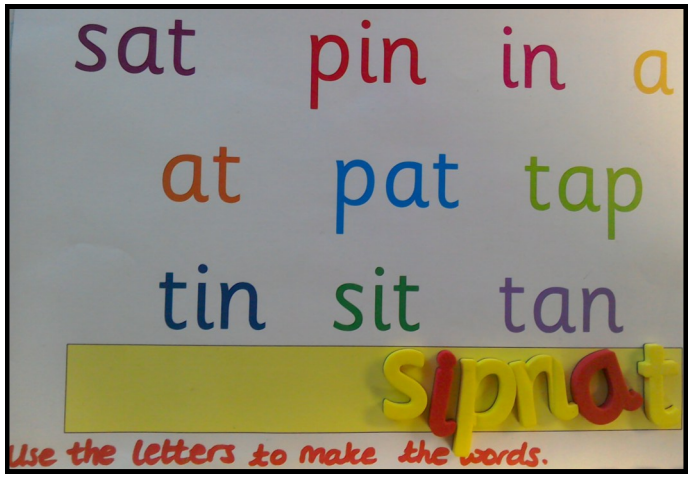
These are some suggestions of ideas that were on display at our parent workshop to develop phonic and spelling knowledge.





Can you spot all of the **ch** and **sh** words in this text?

Charlie the chimp was chasing Shaun the sheep through the cheese shop.
"Stop chasing me!" said Shaun.
"I'm only playing." said Charlie.

CVC MEDIAL SOUND
HOW TO PLAY:
1. Roll the dice to see the number of spaces to move forward.
2. Spin the arrow. If you can make a word with the letter the arrow points to, stay on that square. If you cannot - return to the square you started your turn on. If you make the same word as the picture follow the arrow to the square it points to.
