

Discovering the World of the Spanish Language

Spanish Club Spring Term 2017

The Spanish club is currently enrolling for the Spring 2017 term. The club will commence on Friday 13 January 2017 for 10 sessions.

The beginner class will commence from 1:00 to 1:30 and the intermediate class from 12:45 to 1:30. Both classes will take place in the computer suite.

The cost for the 10 sessions is £35 payable at the beginning of term when the children enrol. It would be preferable if you could pay by cash (please ask the school office to give you a receipt when handing in the cash) but **cheques should be made payable to Agustina Morris** and sent to the school office.
