

St Peter's C of E Primary School – Leavers' Hoodies 2017

Over the last 4 years since their introduction, the leavers' hoodies have proved to be a big hit with the Year 6 Children as they leave St Peter's and move on to their senior schools. For those who have not seen them previously, they have the St Peter's crest embroidered on the front and then the list of all the children's names in the year inside the number 17 on the back in white.

For ease this year we have set up an online shop which you can access at:

<http://www.iduniforms.co.uk/stpeters>

Anyone wishing to place an order will need to order and pay for their hoodies online. You can choose your own colour and size and add a Nickname on the rear of their hoodie if you wish for £1.95 extra. If selected, the Nickname will replace LEAVERS on the rear of the hoodie.

We are using the same company again this year who printed the hoodies last year. Feedback regarding sizing was that the hoodies were on the smaller size. If in doubt order up a size. The most popular size ordered last year was the XS adult size. Please note adult sizes are slightly more expensive than child sizes.

If everyone can please order promptly as this will ensure the hoodies will be completed and delivered in time for the children to take with them on the Manor visit. Last year some children actually ordered two hoodies! All hoodies will be delivered to St Peters and will be given out to the children.

If you have any queries/questions, please feel free to contact me on 07748608440.

Kind Regards

Lisa Roberts (Lulu's Mum)
