## Easter Breakfast, Wednesday 1<sup>st</sup> April

The Friends of St Peter's will hold a whole school Easter Breakfast on Wednesday 1<sup>st</sup> April from 8am in the School Hall. More details to follow for the ever-popular event!

### Friends of St. Peter's

I would like to take this opportunity to personally thank Friends of St. Peter's for recently purchasing an interactive whiteboard for the Learning Hub and twelve new laptops and charging trolley for the Computer Suite. This new computer equipment will certainly support the children with their learning. The additional twelve new laptops will enable every child to have access to their own computer for ICT lessons in the Computer Suite. The work of Friends of St. Peter's is extremely valuable as it helps to fund resources for the school which enhances the learning experiences for all our children.

I would like to thank everyone for your continued support of Friends of St. Peter's.

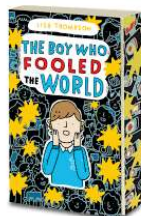

### Reminder - School Parking

May we please remind all parents, carers and grandparents to park safely and with care. Please avoid parking on the zig zag lines, the single and double yellow lines, on kerbs and on corners. When parking around school at the beginning and the end of the day, can we please be mindful of our neighbours. I would also like to remind you that cars are not permitted to enter or park in the school car park, before, during or after school - this includes all after school clubs. Of course, prior permission will be granted for special circumstances, eg collecting a sick child or a meeting at school. Our careful parking will help to keep all our children safe.

Thank you for your co-operation!

### Author Visit - Lisa Thompson

On the afternoon of Monday 20<sup>th</sup> January, all the children in Key Stage 2 had a special visit from the children's author, Lisa Thompson. Lisa has written a number of children's books which include: The Goldfish Boy, The Day I was Erased and The Boy Who Fooled The World. During the session, Lisa spoke to the children about where she gets her inspiration from to write her storybooks as well as giving the children the opportunity to ask her questions. The children had a super afternoon and they all thoroughly enjoyed the story Lisa read to them.

## Medical Appointments

May we kindly request that medical appointments for children are made after school hours or late in the school day whenever this is possible to avoid the children missing out on important lessons.

Thank you for your support!

## Cold Weather

As the days are really cold, may we politely request that children bring a warm coat to school, particularly as the children spend a long time outdoors during the lunchtime break. Could all coats be clearly labelled with your child's name.

## Contact Details

If any parents have recently changed their mobile telephone numbers or any other contact details, could you please inform the school office so we can update our records.

Thank you for your co-operation!

## A Prayer For The Coming Month Of February

# End Of Term

Just to remind parents that school breaks up for half-term on **Friday 14<sup>th</sup> February** at 3.30pm. The children return to school on **Tuesday 25<sup>th</sup> February** as Monday 24<sup>th</sup> February is a staff INSET Day.

Thank you for your continued support!
