June 2018

Congratulations

I would like to share some wonderful news with you all. Mrs Hesketh recently gave birth to twin boys, Harry and Charlie, they are all doing well. I am sure everyone connected to St. Peter's would like to send their best wishes to Mrs Hesketh and her husband on their exciting news!

FS2 Celebrate The Royal Wedding

After a busy weekend watching and admiring the Royal wedding, FS2 were very keen to act out their own wedding. The children wrote invitations and collected resources and props. On the morning of the wedding, the children arrived extremely excited and were very keen to get the nuptials under way. The children even had a real wedding, courtesy of Taylor's mum. A huge thank you to all the parents for your help with arranging.

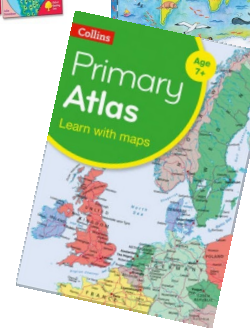

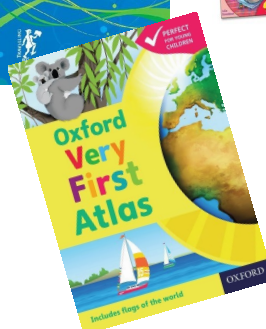

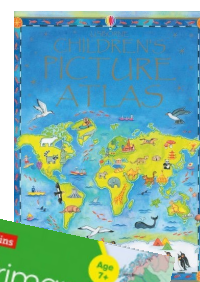

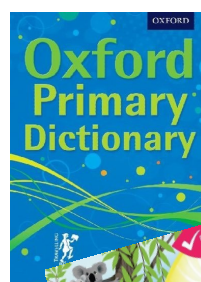

Musical Extravaganza

On Tuesday 22nd May St. Peter's Orchestra performed a number of musical pieces for parents, grandparents and children of the school. The summer concert treated it's audience to a wide variety of music, which showcased the array of musical talent that we have at St Peter's. The evening was a huge success and was enjoyed by all who attended. A huge thank you to Mrs Helen Chetwood (Music Lead) and Mrs Angela Charlesworth (Orchestra Leader) for all that they do for music within our school throughout each year. And also to our peripatetic music teachers for all of their hard work.

Thank You!!

We would like to say a huge thank you to all parents who purchased books at our scholastic book events this year. We raised just over a staggering £2000 which we have been able to use to purchase much needed books for school. We have bought 60 new dictionaries for KS2, 60 atlases for Year 3/4 and 1/2, some author collection packs and some phonics reading books for F2 and KS1. These are much needed resources and we really are grateful for your continued support.

Thy Kingdom Come

On Friday 18th and Saturday 19th May, St Peter's community took part in a worldwide prayer event 'Thy Kingdom Come'. This event was to enable people from all parts of the community to gather together in prayer. The event was based within our school hall and was visited by the whole school, some parents and members of the community across the two days. Each class in school had been given the task of creating their own prayer station where people could visit and spend time reflecting or praying. On Thursday 17th May, the school hall was transformed into a wonderful, reflective and calm environment. It featured a variety of different stations some for reflecting, some for creating and some for exploring. On Friday, each class was allocated a time to visit the hall and there the children had the opportunity to explore this creative way to access prayer. Each child thoroughly enjoyed their experience and came away with a very special message after spending time reflecting on prayer in different ways. After school, some parents visited the school hall and experienced the children's message of prayer enjoying many different ways of getting to know Jesus. Saturday brought members of the local community through the doors as they took some quiet time to reflect and enjoy the children's prayer stations. The event was a true success and showed how the power of prayer brings everyone together in a positive way.

Year 4 Recorder Lessons

This term Year 4 started their recorder lessons, each class will have three 45 minute lessons with a specialist teacher. Class 4CW thoroughly enjoyed their lessons and the rest of Year 4 cannot wait to start theirs!

Pretty Muddy Event

On Saturday 30th June at 10.30am thirteen members of staff from St. Peter's are taking part in the 'Pretty Muddy' Event at Birkenhead Park. 'Pretty Muddy' is a fundraising event for Cancer Research UK. Participants attempt to complete a muddy obstacle course over a distance of 5k or 10k.

If you would like to find out more information about 'Pretty Muddy' or would like to sponsor the staff, please see the link below:
