

ST. PETER'S HERALD

Pupil Voice from Summer Term 2019

Here are some of the Children's Highlights from this term...

We enjoyed art when we made an 'Under the Sea' mural.

1R

During our Coast 2 Country week we had lots of fun completing junk modelling.
We made fish using recycled waste materials.

Isabella & Elizabeth 1/2B

We enjoyed making our recycled bowls during our art and design technology lessons

1R

I loved our week on 'Recycling' because we were saving the planet and having fun at the same time.

Elizabeth 1/2B

I have loved PE where we learn a skill and then play a game. Maths problem solving is the best!

Jack 1/2B

On the 20th June a team of children went to Aintree Golf Centre to take part in the Merseyside Tri-Golf final.

The children took part in a number of golfing activities which included chipping, putting and aiming at a variety of targets.

The children had a thoroughly enjoyable time, finishing a respectable 6th against a number of schools from Liverpool, St Helen's and Wirral.

Barnstondale

On the 19th and 20th June the Year 2 children went on their annual residential to Barnstondale.

During the residential the children experienced a number of activities including craft, climbing, orienteering and many team building games.

On Wednesday afternoon the children took part in a water fight which they thoroughly enjoyed; this was followed by toasting marshmallows and singing around the campfire!

I loved English with Mrs Bass when we read the story of 'Rapunzel' and made up disgusting rhymes.
Jamie 1B

I liked going to Chirk Castle. We went on the bus and made biscuits.
Mia F2Bu

I loved going to play football in Liverpool. We did lots of games and played Stuck in the Mud.
Blake F2Bi

I liked doing Sports Day. We played lots of games on the field. It was so much fun.
Daniel F2Bu

Den building was so amazing at Barnstondale because we had to work together.
Isabelle A 1B

I really enjoyed going to visit Chirk Castle. We went into the dungeon and it was really cold and dark. The people who went there had done some naughty things.
Olivia H F2Bi

Barnstondale was the best because I learnt new skills. I was scared of wall climbing but I did it and I felt proud. I loved eating marshmallows and singing around the camp fire. Sleeping over was so much fun!
Addi 1B

Upton School was one of the best opportunities we have had in a long time. It was the best school trip in Year 3. We enjoyed it so much because we both love art and craft. We made a 'Great Crested Newt' and we are really proud of it. We made it out of cardboard, plastic bottle tops, yoghurt pots and cut up plastic bags.
Kara & Sophie 3/4W

I have enjoyed the B&M Waste trip because there was a lot of amazing things to learn and do. We made stuff out of single use plastic.

I also enjoyed the Football Tournament.

Libby 3/4CW

Year 4 Watersports

Over a number of Friday afternoons, our Year 4 children have had a wonderful opportunity to experience a variety of watersport activities at West Kirby Boating Lake. The children have learnt new skills in canoeing, windsurfing, sailing and paddle boarding. The children had a fantastic time and they all looked forward to their Friday afternoons.

I have enjoyed our work on World War 1 and 2. I really enjoyed it because I love history and I enjoyed it also because we got to make Anderson Shelters.

I also enjoyed our topic in Science on different rocks. I really like different types of rock like Quartz and Crystal.

Marcus 3/4 CW

I have enjoyed the B&M Waste trip because there were lots of amazing things to learn and do. I liked making stuff out of single use plastic.
Autumn 3/4 CW

Year 6 Farewell

We would all like to wish our Year 6 children a fond farewell. We have celebrated with them over the last couple of weeks and know their time at St.Peter's has been special to each and every one of them. We wish them lots of luck and happiness as they leave us to embark on the next step of their learning journey. Thank you Year 6 for everything you have brought to St. Peter's!

It's time to say goodbye,
Your time at St. Peter's has come to an end.
You have made lots of cherished memories &
Many special friends.

You've watched each other learn & grow
And change from day to day.
We hope all the things we have done,
Will help you along your way.

So it's with many happy memories,
We hope to see you go out of the door.
With great hopes and expectations
Of what the future holds in store!

Year 6 Production

Charlie and the Chocolate Factory

Our talented Year 6 & Year 5 treated us all to an amazing production of 'Charlie and the Chocolate Factory'.

The production was a huge success and showcased the many talents of Year 6 through acting, singing and performing & Year 5's great support.

From the many positive comments I have received from parents, grandparents and family friends I know all the children's hard work paid off, with a show to remember!

Coast 2 Country Project

During the Summer Term, our school has been lucky enough to be involved in a project called Coast 2 Country. The project is in collaboration with other schools in the local area. The main focus of the project was to raise awareness about ways in which we can look after our local environment which then extended to looking after our planet. One avenue we explored was looking at ways to reduce our use of plastic and the importance of recycling.

On 24th June, two Year 3 children had the opportunity to visit Jaguar Land Rover with other children from local schools. The children toured the factory and were told how the cars were made and they also looked at how the factory recycles its waste products.

Each school taking part in the Coast 2 Country project were invited to produce a 3D art sculpture (see below) of an endangered animal. The children had to use recycled materials to create the sculpture. All the sculptures are now on display at the Williamson Art Gallery and Museum in Birkenhead, during the Summer Break.

Finally, our Year 3 & 4 classes visited B&M Waste Services in Bromborough. This gave the children the opportunity to find out more information about the recycling process.

I would like to take this opportunity to say a big thank you to everyone involved in the community of St. Peter's as this academic year draws to an end. I wish you a lovely summer break with your families and look forward to seeing you all again in September.

Darren Jones, Headteacher
