Autumn Term Issue 3

Date: 10 October 2025

We are well into October now and the year is whizzing by. Lots of things happening in the next couple of weeks. Please read carefully to ensure you are up to date.

Just a reminder that children may need a second set of footwear in school if they are doing PE outside as the field is getting more muddy now. The class teachers will have communicated this to you if necessary.

Enrichment Fund – Final total

The final total for the enrichment fund which parents have kindly donated into is an amazing:

Online Safety Workshop for Parents

The online safety workshop last week was really interesting despite a low turnout. There is some further feedback to send out to all parents with some suggestions about how we take this further. I'm trying to find a day with not much news at this point so that it doesn't get buried. It should be out next week.

Reception 2026

It's that time of the year when we are showing prospective parents around the school with a view to filling our Reception 2026 places. We have 30 spaces available and want to fill them all so please do recommend us to anyone you know that might be looking for a place. We do individual walk rounds for new parents and all they need to do is call the school office to book in. We have shared this flyer on our social media channel – please help to share it far and wide if you can. Many thanks.

Final Prayer

Finally, as a church school I always think it is good to end the newsletter with a prayer for the weekend.
