Autumn Term Issue 6

Date: 28 November 2025

Getting into the start of the festive season we are looking forward to some great fun in school over the next few weeks. Christingles, Christmas plays, nativities, advent worships etc. We've even started listening to and rehearsing some great Christmas songs. I recommend this one as well worth a listen at home. Why not give it a go and have a listen at home?

It's the best time of the year to be in a primary school. This week in school we have been doing our end of term assessments and these are due to be completed next week so we are not doing these in the final 2 weeks of term.

It was good to start the day today with Share the Learning. These always have a good feel to them and are well attended by parents so I hope you enjoy the opportunity to come into school and see some of your children's work.

Coming up in the next two weeks of school...

- **Y5/6C Thursday 12 February**
- **Y3/4FH Wednesday 11 March**
- **Y1/2CW Thursday 19 March**

These usually start about 2:55pm and are completed by the end of the school day. Parents from the classes leading are warmly invited.

OPAL (Outdoor Play and Learning)

A big thank you for all the donations that have been sent in to assist with our OPAL project. This is going to be launched on Monday next week and over the weekend a couple of members of staff are going to be in the playground setting some things up. This is a really big project and will develop over time so it will start small and build up. Please keep sending the donations into Miss Ward, in particular some additional three wheeled scooters would be great! There will be a few additional things in the playground on Monday and we are asking the children not to access anything on Monday morning until we have talked to them. A big thank you to Miss Ward who has worked really hard on this.

Friends of St Peters Updates

Tickets to the **Friends of St Peter's Wreath Making Workshop next Thursday 4th December** are selling fast - but there's still time to join us for a festive night out and create your very own Christmas wreath with friends and fizz. We'll provide the materials and guide you through creating your own design, and a bar will be available on the night for drinks as you get creative. Tickets are priced at £40pp and include:

- Glass of prosecco on arrival
- All wreath making materials including a mossed wire frame, foliage, a selection of decorative items (e.g. pine cones, orange slices) and ribbon.
- Workshop where you'll be guided through creating your masterpiece by professional florist (and St Peter's mum!) Lauren

Book your place now here:

We look forward to welcoming you to kickstart the festive season! And with all funds raised going toward school projects, it's double the feel-good factor

Elfridges Gift Afternoon: Wednesday 3rd December!

It's almost time for Elfridges to come to town! For one day only, our pop-up shop will give children the chance to buy Christmas gifts for their loved ones, giving them a surprise to hide under the tree. Gifts cost £2.50 each, and children can buy a maximum of two each. If you want to join in, please send money in with your child in a named envelope – and the Friends of St Peter's elves will do the rest.

PS – If cost might make it difficult for your child to take part, please contact the school office in confidence who will make sure they don't miss out.

Final Prayer

Finally, as a church school I always think it is good to end the newsletter with a prayer for the weekend.

Dear God,

Thank you for this week!

- *Thank you for our **friends** and for all the **fun** we had.*
- *Thank you for the **things we learned** and the **people who help us** at school.*
- *Please help us to have a safe and happy **weekend** at home.*

*We are so excited because it is almost **Advent!***

Help us to get our hearts ready to celebrate Jesus's birthday.

*Fill our school and our homes with **peace** and **kindness** as we wait for Christmas.*

Amen.

Have a lovely weekend,

Dave Wallace
