Spring Term Issue 2

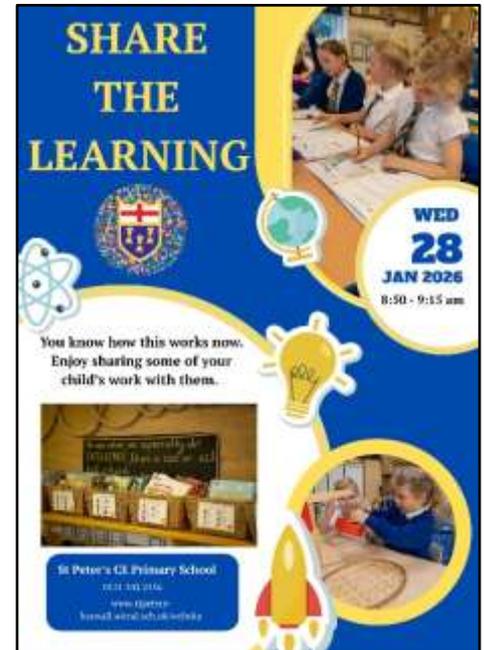

Date: 23 January 2026

We are well into January and nearly into February already. School is really busy, the children and staff are working really hard. Lots going on and to start off here are some things for the next few weeks. One thing to mention is that it is the next Share the Learning of the school year next Wednesday. We always really enjoy these, it is so nice to see families in school sharing the books together. The following date for Share the Learning is Monday 23 March.

The flyer has gone out on the daily email and also can be seen on our facebook page. In addition to this we have a really interesting World Faiths Day planned as part of our RE curriculum work with a visiting Muslim speaker. More details will come out about this next week.

These usually start about 2:55pm and are completed by the end of the school day. Parents from the classes leading are warmly invited. All remaining classes who have not yet done one will be in the summer term.

Digital Safety Workshop

Thanks to all those who have signed up for this. It will go ahead on Tuesday 27 with a 6:30pm start. Due to the responses received this will be held **ONLINE** (73% of parents voted for this) and the link for the meeting will be sent out on Monday.

OPAL – Outdoor Play and Learning

We are still moving forward with our OPAL project and since we launched last term, we have learnt a great deal about what works and what doesn't work. So here are some more things we are looking for to assist.

Scooters – these are really popular with the children. We are hoping there may be a few old unused scooters in garages and sheds after children have received new ones for Christmas. If so please donate them to us.

Guttering – this is to give children the opportunity to be really creative in their play. There are loads of things you can do with some pieces of guttering.

See the flyer below from Miss Ward. Of course you don't need to send in these items only on a Friday. If you are donating guttering please leave by the lift at the front entrance. Thank you!

FREEBIE FRIDAY!

Do you have any of the following items you could donate to our OPAL project?

This week we're looking for:

- 3-wheel scooters**
- Guttering**

Thank you so much for your support!

AmaSing Club

Clubs have started up again and I am still on a bit of a recruitment drive for more children to take part in the AmaSing experience. This is singing and dancing culminating in a mass performance with lots of other schools and a live band at the Floral Pavilion in June. I have worked with AmaSing for many years now and last year we had a group take part in the show. Great fun was had by all so if you like singing, dancing and performing, or just want to give it a go, then sign up. It doesn't start until after half term.

More information about AmaSing can be found here <https://youtu.be/JwXm3ko1sbE>

Sporting Events

Recently we have taken part in some dodgeball tournaments at Activity for All which have been great fun as well as a New Age Kurling event which was brilliant. Thanks to Mrs Hesketh for organising. Quite a few football activities coming up over the next few weeks with details being sent out as they come up..

Final Prayer

Finally, as a church school I always think it is good to end the newsletter with a prayer for the weekend.

Dear God,

Thank you for the week that has passed. We are grateful for the things we have learned, the friends we have made, and the challenges that helped us grow.

As we head into the weekend, we ask for:

- **Rest** for our minds and bodies.
- **Joy** in our time with family and friends.
- **Safety** for everyone in our school community.

Help us to carry the kindness we learned in the classroom out into the world. Refresh our spirits so that we may return on Monday with ready hearts and curious minds.

Amen.

Have a lovely weekend,

Dave Wallace
