

# St Peter's CE Primary School

Newsletter  
Spring Term Issue 5  
Date: 13 March 2026

Time is moving on and just 2 weeks now until the end of the term. We are busy starting end of term assessments and Year 6 are looking forward to a fab time at the Manor next week. The diary for the next week looks really full so check it carefully. The online calendar is also being regularly updated.

It's Mothering Sunday over the weekend and don't forget that there is a warm invitation for everyone to attend the service at St Peter's church. It would be great to see lots of the school community there.

### Thanks!

A huge thank you to Chris Cogan, one of our parents, who kindly secured funding through his company, Enrichment Technology Company. This generous support has enabled us to purchase a fantastic set of engineering blocks for our Foundation Stage 2 area. The resources have already been put to excellent use, supporting creativity, problem-solving and teamwork, and they will continue to be enjoyed by many children for years to come. We are extremely grateful for this valuable contribution to our learning environment. If any other parents work for companies that offer community funding, match funding, or similar schemes, we would be delighted to hear from you, as support like this makes a real difference to our learning environment.

### Digital Culture at St Peter's Survey

Have you responded to the short survey sent out this week on the Digital Charter and use of Smartphones in school? If not, the survey remains open for another week and you can find the link within school communications.

Thanks to all the parents who have completed the survey so far.

### World Book Day

We had a fabulous World Book Day last week with some incredible and creative costumes. The children had a great day and did a wide variety of book related activities.

## Friends of St Peter's

### Together we've raised £1,406.10 for school!

The totals from February's Friends of St Peter's events are in – and what a fantastic school community we have! We're so pleased to share that the St Peter's sponsored Pancake Flip raised a brilliant £496.33, while the Neon Disco made £909.77. Thank you so much to all the parents, carers, family and friends that gave sponsorship and bought tickets (and spending money!), and to all those who helped organise and volunteer at both events – they're a double whammy of being fun for all the children to take part in, as well as raising much needed funds to go toward school projects that otherwise might not be able to happen.

Here are some dates for the diary for upcoming Friends events:

- Wednesday 25th March – Pre loved uniform and treat sale (great for picking up some Summer uniform before the Easter hols!)
- Friday 15th May – Break the Rules Day
- Friday 22nd May – Non-Uniform Day
- Friday 19th June – Non-Uniform Day
- Saturday 27th June – Summer Fair

Coming up in the Summer Term on **June 27** is the **Friends Summer Fair** which is always a great event and our biggest fundraiser of the year. The planning for such an event starts now and the Friends are having an initial planning meeting on **Monday 16 March at 8pm in Otto Lounge**. It would be great to see as many people there as possible. These events rely on the time being given by volunteers and the more volunteers we have the more the work can be shared out.

## Sporting Events

Some more pictures from the latest sporting events. The Y4/5 team won through to the next round of the cup following a hard-fought win v Raeburn.

## Final Prayer

Finally, as a church school I always think it is good to end the newsletter with a prayer for the weekend. This is one we had in Celebration worship today.

*Dear God,*

*Thank you for the week we have shared together.*

*Thank you for the things we have learned, the games we have played, and the friendships that make us smile.*

*We are sorry for the times we weren't our best selves this week. Please help us to learn from our mistakes and always try to be kind.*

*As we go home, please keep us and our families safe.*

*Help us to rest, to have fun, and to come back on Monday ready to try again with big hearts and curious minds.*

*Amen.*

Have a lovely weekend,

Dave Wallace
