Spring Term Issue 6
Date: 26 March 2026

So we come to the end of the Spring term already, it's been very busy and so much has happened. It does seem to have gone quickly in hindsight now. It was lovely to start Monday this week with Share the Learning, which was really well attended as usual and then a visit to church for the Easter service. To start the week with such a community feel was what we value at our school. Thanks to all those who made it to both or either.

From the staff and children point of view it is definitely time for a rest and recharge so we can be ready to go for the Summer term. I'd like to express my thanks once again to the hard work and commitment of the staff and also to you as parents for all your support this term.

Have a lovely Easter.

But before that... read the final newsletter of this term starting with the dates which look very quiet..

Digital Culture at St Peter's Survey

An update to this will be sent out at the start of next term along with the results from the survey.

Y6 at the Manor

Year 6 had a fantastic residential at the manor recently with incredible weather, loads of activities and a great deal of fun. The children conducted themselves really well throughout and we were very proud of them as usual.

A huge thanks to all the members of staff who gave up an entire week away from their own families to ensure that this residential could go ahead. These experiences are so important to children's development.

Sporting Events

A few recent sporting events. Y5/6 Athletics at Activity for All, the cross-country event, Y3/4 QuickSticks hockey and a Y5 team at LFC.

Final Prayer

Finally, as a church school I always think it is good to end the newsletter with a prayer for the weekend. This is one we had in Celebration worship today.

Dear Lord,

As we reach the end of this term, we take a moment to remember the story of Easter.

*We thank you for the **love** shown to us during Holy Week. We remember the kindness of the Last Supper, the sadness of the cross on Good Friday, and the amazing **joy** of Easter Sunday.*

*Thank you that just as Spring brings new buds on the trees, the Easter story brings us **new life and hope**. As we go on our holidays, help us to:*

- **Reflect** on your great love for everyone.
- **Shine** your light through our own kind words and actions.
- **Celebrate** the wonder of the empty tomb with happy hearts.

Watch over us and our families until we meet again.

Amen.

Have a lovely weekend,
