### Summer Term Issue 2

Date: Friday 8 May 2026

Welcome to May – how nice was it to have a long bank holiday weekend? Especially for all those who were on the Y4 residential to PGL last week. We had a great time and the children were a credit to our school. The weather was amazing as well – the warmest days of the year so far.

Two weeks to go until the end of the first half term and then it gets really busy as we lead up to the final few weeks of the school year.

I was pleased to be able to share with parents the class structure for next year and deliberately tried to get this out as early as possible to you. I plan to let parents know which teachers will be teaching each class very soon as well. We're just finalising those arrangements in school.

These usually start about 2:55pm and are completed by the end of the school day. Parents from the classes leading are warmly invited. All remaining classes who have not yet done one will be in the summer term.

#### Y6 SATs

As we head into **Key Stage 2 SATs week**, I wanted to take a moment to send a huge "well done" to all our Year 6 pupils.

Over the past few months, the children have shown incredible resilience, hard work, and a fantastic attitude toward their learning. We are already so

- Close-ups of handwriting or projects

...we keep the focus on the **incredible skills** your children are developing.

We will still be including pictures of children but these will be from behind shoulders or close ups of has etc so they are not identifiable.

**Note:** We know how much you value seeing your children's milestones. Rest assured, we still take plenty of photos for SeeSaw and to share activities such as residential.

Thank you for your continued support in keeping our school a safe, happy, and private place for our children to grow. Over the next few months we will be updating the school website with new pictures. However, please bear with us as this will take some time.

### Final Prayer

Finally, as a church school I always think it is good to end the newsletter with a prayer for the weekend. This is one we had in Celebration worship today.

*Dear God,*

*As we pack our bags and get ready for the weekend, we thank you for a week full of hard work, friendship, and discovery.*

*We especially lift up our Year 6 students as they prepare for their SATs next week.*

- *Give them calm minds and peaceful hearts.*
- *Help them to remember everything they have practiced and learned.*
- *Remind them that they are so much more than a test score—they are talented, kind, and unique individuals.*

*For the rest of the school, we pray for a time of rest and play. May we all find moments of joy and come back on Monday feeling refreshed and ready to support one another.*

*Bless our teachers, our families, and our friends.*

*Amen.*

Have a lovely weekend,
