SeeSaw to Class Dojo Update

Have you signed up for class dojo yet? Our statistics suggest that there are a number of

families are still to do so. If not, you are missing out on crucial information being posted by class teachers as well as examples of the children's work.

School Lunches

These are some of the things that children have said about the lunches.

"The best is the curry. I really like the deli bar design.

The food is amazing.

I love the carrot cake.

I really like the crispy chicken wrap - it was really nice.

The baguettes are awesome."

Census Day is on Thursday 1 October. On this day we need as many children to have a school dinner as possible as this directly impacts our funding.

Share the Learning 1

Looking forward to seeing you all for the first Share the Learning soon. Details below.

St Peter's CE Primary School

Autumn Term 2026 Newsletter Issue 2

We will be planning our own Harvest celebrations which will be at St Peter's church on Monday 5 October.

Final Prayer

As a church school I always think it is good to end the newsletter with a prayer for the weekend.

Heavenly Father,

*As the month of September comes to a close,
we give thanks for the gentle start to this
new school year. Thank you for the new
friendships formed, the lessons learned, and the
fresh beginnings we have shared together as a
school community.*

*Guide our children with wisdom and confidence
as they step further into their studies, and
grant our teachers and staff the patience,
strength, and joy to inspire them each day.
Bless our families with peace and steady grace
in all that lies ahead.*

*May our school continue to be a place of
kindness, learning, and encouragement for all.*

Amen.

Have a lovely weekend.

NSPCC Kindness Week

On 7 October 2026 we will be marking the NSPCC Kindness day through a special worship and kindness activities throughout the day hopefully at home as well as school. This will be a fundraiser for the NSPCC, a really worthy charity.

We are not asking children to be sponsored but suggesting that families might like to make a donation. This is entirely option to you but if all families donated as little as £1 it soon mounts up. To donate all you need to do is scan this QR code. More details about this will come out next week.

Thank you for your support.
