

Headteacher's Update

It has been lovely to see some spring sunshine over the last couple of weeks. It has certainly brightened everyone's mood and enabled the children to enjoy some lovely time outside together. Let's hope the sunshine continues to shine during our half-term break!

This half-term has been another extremely busy time for the children and staff. Our Year 4 children thoroughly enjoyed their residential to Colomendy, especially being able to take part in a nightline activity and aeroball. The Year 2 visit to Barnstondale was another successful trip in which the children experienced a variety of activities including archery, climbing, abseiling and an obstacle course. On Tuesday, our Foundation Stage 2 children had a brilliant experience when they visited Ness Gardens. On their return to school the children were very keen to tell me that they had a wonderful time finding mini beasts on their bug hunt.

As you may be aware our Year 2 and Year 6 children have recently undertaken their SATs. I would just like to take this opportunity to say a really big well done to all of the children for working so hard and trying their very best during their SATs weeks. Everyone at St. Peter's is extremely proud of them, they showed great resilience and maturity as they completed their tests and were a great credit to themselves and their families.

I have some lovely news to share, Mrs Birmingham has recently given birth to a little baby girl, Lottie. Both the children and staff were really excited to see Mrs Birmingham and Lottie when they visited school for the first time last week. We are looking forward to seeing them both again soon!

Our annual Summer Fair takes place on Saturday 16th July. Like previous years, the afternoon will be full of a range of events and activities both on the field and on the playground, alongside this there will also be stalls inside the school hall. Throughout the afternoon a fine selection of food and drinks will be available. If you are able to offer any support and help in relation to the Summer Fair, I know this would be very much appreciated by the Friends of St. Peter's. As you all know it takes an awful lot of time to organise the fair and it is one of the key events in the school calendar. All the money raised during the afternoon directly benefits the pupils of St. Peter's School.

At the end of this half-term, we are saying goodbye to Mr Miller who has undertaken the role of interim Site Manager. I am sure you would like to join me in thanking Mr Miller for the wonderful job he has done during the short period of time he has been at St. Peter's - Mr Miller will be sadly missed by all! From next half-term, Mr Pryer will be taking on the role of Site Manager and I know he will be warmly welcomed into the community of St. Peter's - we are looking forward to welcoming him to the team!

I would just like to take this opportunity to thank you all for your continued support this half-term. I wish everyone a relaxing and enjoyable mid-term break. Look forward to welcoming the children back to school on Monday 6th June.

Darren Jones
Headteacher

Key Dates to Remember:

Monday 6th June - School Re-opens

Friday 10th June - Year 4 Watersports

Thursday 16th June - Year 1/2 Trip to Liverpool Philharmonic

Friday 17th June - Year 4 Watersports

Monday 20th June - F2 Buddy Day

projects.

THANK YOU FOR

St Peter's Staff get Pretty Muddy

Well done to all the St Peter's Pretty Muddy team who took part in the event last Sunday and raised over £800 for Cancer Research. I think we can safely say that no washing powder will make Mr Myers T Shirt white again!!!

Things we have enjoyed over this half term

**Celebrating
World Bee Day**

Whole School Easter Service

**Jubilee
Celebrations**

School Website

The school website continues to include information and news about what is happening and what is coming up at our school. It is the best place to find information about events and school news. We will be continuing to send daily e-mail alerts with important links, letters and information. The calendar for the term can be found on the website and includes all the key dates, which hopefully enables you to plan ahead. Please refer to this both at the start and during the term to keep a note of what is happening and all the different things coming up.
